Local Resident or Interested Party

Dear Sir/ Madam

**Substantial Environmental Permit Variation
Environmental Permitting (England and Wales) Regulations 2016 (as amended)
South Lincolnshire Crematorium, Gosberton Road, Surfleet, PE11 4AA**

I write to inform you that I have received a Substantial Environmental Permit Variation application from South Lincolnshire Crematorium.

Under the Environmental Permitting (England and Wales) Regulations 2016 I am required to consult with interested parties to inform you of this application and to ask for any comments that you would like to make regarding impact to emissions to air, for which the facility is permitted.

The South Lincolnshire Crematorium would like to:

- Add a 2nd Cremator to the existing facility.
- Add a De-Nox system to the existing facility.

You can view the plans for this Permit Variation on request at the South Holland District Council Offices. Please contact me to make an appointment.

Comments can be submitted to me electronically on the email above, or by post to our offices. You have 30 days from the date of this letter to make a comment.

If you would like to discuss this application with regards to air quality in the area, please contact me using the details above.

Your faithfully

**Oliver Abrams
Environmental Protection Officer**
