

LEVEL 3 FOOD HYGIENE TRAINING

This e-learning course is for use as a self-study training package for all managers and supervisors in your business. It will provide a more advanced knowledge and understanding of the subject. The areas covered are listed below.

- Introduction to food safety
- Microbiology
- Contamination hazards and control
- Food poisoning
- Personal hygiene
- Design of food premises and equipment
- Cleaning and disinfection
- Pest control
- HACCP
- Control measures
- Supervisory management
- Food Safety legislation and enforcement

Those taking this e-learning course will engage in approximately **9 to 14** guided learning hours of training. Their knowledge will also be tested by multiple choice questions, spread across the modules.

On completion of the course, the system produces a personalised Highfield completion certificate.

Current cost £139 per candidate
